

Grades 1-3: Onwards Toward the Promise

He brought out Israel from among them
With a strong hand and a stretched-out arm
For his mercy endures
And like them He's with us

SO!

Onward toward the promise
Though the way is full of darkness
We must be children of light
And go in the might of God
And go in the might of God

He has redeemed us from enemies
And remembered our low estates
For his mercy endures
We will always bless his name

SO!

Onward toward the promise
Though the way is full of darkness
We must be children of light
And go in the might of God
And go in the might of God

Together we can make it
We just need each other
And to trust his promise
For he will never fail us

SO!

Onward toward the promise
Though the way is full of darkness
We must be children of light
And go in the might of God
And go in the might of God
